West Noble School Corporation is having an informational meeting for the parents of children with special needs who live in the school's service area, and whose children are home-schooled or attend a non-public school.

The meeting will be Monday October 9, at 2:00 p.m. in the West Noble Corporation Office, located at the southeast corner of West Noble High School.

Part of the meeting will be devoted to discussing how to use federal stimulus money for services to students who do not attend public school.
