

WNMS Privilege Program Tri 2 2017-2018

Welcome to the WNMS Privilege Program! You have qualified for this program by having a cumulative grade percentage of 85% or higher and for having no office referrals during Tri 1. Congratulations on your achievement!

You have been given access to the Privilege Program calendar on Google Calendar for some of the upcoming events and privileges you are now eligible for. These include special treat days, being first in the lunch line on Fridays, use of the internet lounge in the media center, participation in special events such as Spirit Night, special after-school activities, free admission to all WNMS home athletic events, and Wednesday prize drawings.

In order to participate in the privilege program events, you must present your current WNMS ID card with the star-shaped hole punch in the correct location.

Because the WNMS Privilege Program is earned through scholarship and citizenship, students in the program are expected to maintain good grades and good behavior. Students can be removed from the program if they are referred to the office during the course of the trimester. In addition, poor performance, discipline referrals, and frequent absences (12 or more) will remove a student from eligibility. Students who qualify all three trimesters (6th, 7th and 8th grades) will earn a trip to Deep River Waterpark at the end of the school year.

Again, congratulations and thanks for your hard work here at WNMS!

Mr. Jagger, Mr. Teel and Mrs. Tijerina
